

**REMARKS/ARGUMENTS**

**1. Introduction**

This is a full and timely response to the final Office action of 09/07/2007. Claim 19 has been amended and claims 17 and 20 have been canceled. No new material has been introduced and no new issues have been raised. Reconsideration and allowance of the application is respectfully requested.

**2. Allowable material**

*Claims 1-16 are allowed. Claim 20 is objected to as being dependent upon a rejected base claim but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.*

The limitations of claim 20 stated by the Examiner in this Office action as being allowable if rewritten appropriately have been merged into independent claim 19 and claim 20 has been cancelled. No new material has been introduced.

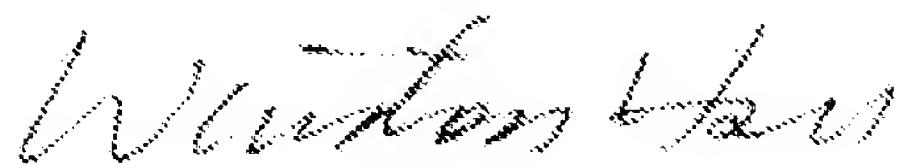

For at least the reasons of statements by the Examiner concerning the allowability of claims 1-16 and an independently written claim 20, the applicant believes that the application is now in condition for allowance as required and respectfully requests that a timely Notice of Allowance be issued in this case should the Examiner concur.
